New dog park opens near Dundonald

A new dog park near Dundonald is now open. Charlottetown dog park is for smaller pets that are under 40 centimetres and less than 20 pounds.

The off-leash park is located off Bennet Place near the Cosmo Civic Centre. These spaces allow dogs to be off-leash to socialize and play so long as they are under the control of their owner.

Dogs must have a valid dog license issued by the city to access the park.

Animals are also asked to have vaccinations up-to-date before using the parks.

DON'T FORGET YOUR MEMBERSHIP

DCA Membership has its perks:

- Access community association programs
- Support your community association
- Allow us to host more community events
- Keep programs affordable

Fun Fall Family Activities in Saskatoon

As summer fades away and fall arrives, there are still many fun things to do with your family. Here are a few of the top fun fall family activities in and around Saskatoon.

Farm adventures

As the weather turns, local farms offer seasonal adventures for your family. Around Saskatoon, there are lots of farms that have different types of activities, from corn mazes, to trampolines, to petting zoos and pumpkin patches and so much more. Here are some of the most popular spots that are a short drive from the city.

Wander's Tiny Farm

Less than a 30-minute drive from Saskatoon, Wander's Tiny Farm is ideal for families with younger children who will love feeding and petting the animals.

Youth Farm Corn Maze

Full of activities, the youth farm corn maze is a great day trip for the family. They have hay rides, a trampoline, a petting zoo, a climbing wall, pedal carts, and a corn maze.

Champatre County

For a taste of Western living, families can spend the night at Champatre County. With various events and activities celebrating farm life, kids will love the barn animals and corn maze as well as the bonfires and smores.

Crickle Creek

A spot for families to enjoy some golf or mini-golf and for kids of all ages to take part in some inflatable fun in the fun zone, a trip to Crickle Creek is a must-see for Saskatoon families.

President's Message

Hello Dundonald!

With September just around the corner, the Dundonald Community Association (The DCA) is ready to ramp up the fall season with an expanded fall offering of fun activities hosted by the community association. On September 9, 2023, we are hosting a community fun day in the park with entertainment for all ages. Although you will find more information regarding our fun day in the park in this newsletter, I want to thank the special events committee for their hard work in making this event a reality. Planning all the intricate details required to facilitate these events takes time and dedication. These days are possible due to the help of volunteers throughout our community. The DCA is a small and mighty team but hosts these special days for the community without the support of volunteers. If you are interested in volunteering the event, or future opportunities, please email us at info@dundonald.ca.

I am also inviting you to attend a DCA meeting. The DCA meets the first Wednesday monthly, at 7 p.m. in the Dundonald School Library. Our group is exceptionally welcoming and encourages you to meet with us and help shape community programming.

Lastly, Thanks to the City of Saskatoon for funding the DCA with the rink improvement grant. This grant will allow us to complete much-needed repairs to our rink shed to preserve it for the coming years and to fix cracked or broken rink boards. I would also like to ask any community members interested in helping repair the rink to email president@dundonald.ca. We aim to complete the work in the last few weeks of September. Many hands are appreciated to keep our rink safe for everyone!

Thank you, and I look forward to seeing you all at the community fun day!
